

Dr. Christian Schütz

CFO

Dr. Christian Schütz has been CFO at Aurelis since June 2015. In his previous position, he was managing director at CORPUS SIREO Investment Management S.à r.l. and responsible for conception and distribution of institutional investment products. After positions at McKinsey and Viterra/Deutsche Annington, he worked for Deutsche Bank from 2006 to 2011, where he was involved in numerous M&A and capital market transactions of renowned real estate companies. He also accompanied the acquisition of Aurelis shares by HOCHTIEF Projektentwicklung GmbH and Grove International in 2007.
